

FIRST BAPTIST CHURCH - WARRENSBURG

1302 S. MAGUIRE STREET WARRENSBURG, MO 64093

Our Virtual Awana plan encompasses weekly interaction for 30-45 minutes for the families to help facilitate during the week according to their own schedules. Each club level will operate in slightly different ways based upon the age group they are serving.

Cubbies

Cubbies (pre-school ages) will be using a mixture of Awana Plus videos and videos prepared by our own leaders for the large group time. These will be posted on the social media account for Cubbies and emailed to our families. The Cubbies leaders will facilitate a small group time of about 15-minute window to login to group times. Parents will be able to choose options for sending in verses to the leaders (video, audio, other). They will also have a monthly drop-off/pick-up of crafts and game supplies.

Sparks

Sparks (Kindergarten-2nd Grade) will be using the Awana Plus videos for the large group time. These will be posted on the social media account for the Sparks and emailed to our families. The parents will be equipped with materials to cover the small group times for their children. Parents will be able to choose options for sending in verses to the leaders (video, audio, other). They will also have a monthly drop-off/pick-up of crafts and game supplies.

T&T

T&T (3rd-5th Grade) will be using videos prepared by our leaders for the large group time. These will be posted on the social media account for the T&T and emailed to our families. The parents will be equipped with materials to cover the small group times for their children. T&T leaders will also be available to partner with parents on small group times as needed. T&T clubbers will be encouraged to schedule times to connect with the volunteers virtually for completing their verses.

All clubs will have spirit nights and other events scheduled corporately throughout the year.

Registration will be \$15 per child and scholarships are available, watch for that to begin soon.
